DISCLOSURES REGARDING THE DEBTORS' SCHEDULES OF
ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

General

The Schedules of Assets and Liabilities (collectively, the “Schedules”) and the Statements of Financial Affairs (collectively, the “Statements” and, together with the Schedules,

¹ The last four digits of Debtor Bed Bath & Beyond Inc.’s tax identification number are 0488. A complete list of the Debtors in these Chapter 11 Cases and each such Debtor’s tax identification number may be obtained on the website of the Debtors’ proposed claims and noticing agent at <https://restructuring.ra.kroll.com/bbby>. the “Schedules and Statements”) filed by Bed Bath & Beyond Inc. (the “Company”) and its seventy-three debtor affiliates, as chapter 11 debtors and debtors in possession (collectively, the “Debtors”) pending in the United States Bankruptcy Court for the District of New Jersey (the “Court”) were prepared, pursuant to section 521 of title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the “Bankruptcy Code”) and rule 1007 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), by management of the Debtors, with the assistance of the Debtors’ legal and financial advisors. The Schedules and Statements are unaudited and do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States (“GAAP”), and they are not intended to be fully reconciled to the financial statements.

In preparing the Schedules and Statements, the Debtors relied on financial data derived from their books and records that was available at the time of such preparation. Although the Debtors’ have made every reasonable effort to ensure that the Schedules and Statements are accurate and complete based on information that was available to them at the time of preparation, subsequent information or discovery may result in material changes to these Schedules and Statements, and inadvertent errors or omissions may have occurred. Accordingly, the Debtors and their agents, attorneys, and financial advisors do not guarantee or warrant the accuracy of completeness of the data that is provided herein, and shall not be liable for any loss or injury arising out of or caused in whole or in part by the acts, errors, or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating, or delivering the information contained herein. In no event will the Debtors, their agents, or their advisors be liable to any third party for any direct, indirect, incidental, consequential, or special damages (including, but not limited to, damages arising from the disallowance of a potential Claim (as defined herein) against the Debtors or damages to business reputation, lost business, or lost profits), whether foreseeable or not and however caused, even if the Debtors or their agents, attorneys, and financial advisors are advised of the possibility of such damages.

Subsequent receipt of information or an audit may result in material changes in financial data requiring amendment of the Schedules and Statements. Accordingly, the Schedules and Statements remain subject to further review and verification by the Debtors. The Debtors reserve their right to amend the Schedules and Statements from time-to-time as may be necessary or appropriate; *provided*, that the Debtors, their agents, and their advisors expressly do not undertake any obligation to update, modify, revise, or recategorize the information provided herein or to notify any third party should the information be updated, modified, revised, or recategorized, except as required by applicable law.

Holly Etlin, the Chief Restructuring Officer and Chief Financial Officer of the Debtors, has signed each of the Schedules and Statements. Mrs. Etlin is an authorized signatory for each of the Debtors. In reviewing and signing the Schedules and Statements, Mrs. Etlin has relied upon the efforts, statements, advice, and representations of various personnel of the Debtors and the Debtors’ legal and financial advisors. Mrs. Etlin has not (and could not have) personally verified the accuracy of each statement and representation contained in the Schedules and Statements, including statements and representations concerning amounts owed to creditors, classification of such amounts, and creditor addresses.

These general notes regarding the Debtors' Schedules and Statements (the "Global Notes") comprise an integral part of the Schedules and Statements filed by the Debtors and should be referenced in connection with any review of the Schedules and Statements. If the Schedules and/or Statements differ from these Global Notes, the Global Notes shall control. Nothing contained in the Schedules and Statements shall constitute a waiver of any rights or Claims of the Debtors against any third party, or with respect to any aspect of these chapter 11 cases (the "Chapter 11 Cases").

Global Notes and Overview of Methodology

1. **Description of Cases.** On April 23, 2023 (the "Petition Date"), each of the Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code. The Debtors are operating their businesses and managing their property as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On April 24, 2023, the Court entered an order [Docket No. 75] authorizing procedural consolidation and joint administration of these Chapter 11 Cases pursuant to Bankruptcy Rule 1015(b). Notwithstanding the joint administration of the Debtors' cases for procedural purposes, each Debtor has filed its own Schedules and Statement. The asset information provided herein, except as otherwise noted, represents the asset data of the Debtors as of February 25, 2023, the date of the Debtors' month end closure to their balance sheet, and the liability data of the Debtors is as of the close of business on the Petition Date.
2. **Reservation of Rights.** Reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements; however, as noted above, inadvertent errors or omissions may exist. The Debtors reserve all rights to: (i) amend and/or supplement the Schedules and Statements from time to time, in all respects, as may be necessary or appropriate, including the right to amend the Schedules and Statements with respect to the description, designation, or Debtor against which any claim against a Debtor ("Claim")² is asserted; (ii) dispute or otherwise assert offsets, setoffs, or other defenses to any Claim reflected in the Schedules and Statements as to amount, liability, priority, status, or classification; (iii) subsequently designate any Claim as "disputed," "contingent," or "unliquidated;" or (iv) object to the extent, validity, enforceability, priority, or avoidability of any Claim (regardless of whether such Claim is designated in the Schedules and Statements as "disputed," "contingent," or "unliquidated"). Any failure to designate a Claim in the Schedules and Statements as "disputed," "contingent," or "unliquidated" does not constitute an admission by the Debtors that such Claim or amount is not "disputed," "contingent," or "unliquidated," or a waiver of any right to later object to any Claim on any grounds. Listing a Claim does not constitute an admission of (a) liability or (b) amounts due or owed, if any, in each case, by the Debtor against which the Claim is listed or against any of the Debtors. Furthermore, nothing contained in the Schedules and Statements shall constitute a waiver of rights with respect to the Debtors' Chapter 11 Cases, including, without limitation, any rights or Claims of the Debtors against any third party or issues involving substantive consolidation, defenses, statutory or equitable subordination, and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers. Any specific

² For the purposes of these Global Notes, the term Claim shall have the meaning ascribed to it pursuant to section 101(5) of the Bankruptcy Code.

reservation of rights contained elsewhere in the Global Notes does not limit in any respect the general reservation of rights contained in this paragraph.

- (a) **No Admission.** Nothing contained in the Schedules and Statements is intended as, or should be construed as, an admission or stipulation of the validity of any Claim against any Debtors, any assertion made therein or herein, or a waiver of any of the Debtors' rights to dispute any Claim or assert any cause of action or defense against any party.
- (b) **Recharacterization.** The Debtors have made reasonable efforts to correctly characterize, classify, categorize, and designate the Claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements. Nevertheless, due to the complexity of the Debtors' businesses, the Debtors may not have accurately characterized, classified, categorized, or designated certain items and/or may have omitted certain items. Accordingly, the Debtors reserve all of their rights to recharacterize, reclassify, recategorize, or redesignate items reported in the Schedules and Statements at a later time as necessary or appropriate, including, without limitation, whether contracts or leases listed herein were deemed executory or unexpired as of the Petition Date and remain executory and unexpired postpetition.
- (c) **Classifications.** Listing (i) a Claim on Schedule D as "secured," (ii) a Claim on Schedule E/F as "priority" or "unsecured," or (iii) a contract on Schedule G as "executory" or "unexpired" does not constitute an admission by the Debtors of the legal rights of the claimant or contract counterparty, or a waiver of the Debtors' rights to object to such Claim, recharacterize, or reclassify such Claim or contract.
- (d) **Claims Description.** Any failure to designate a Claim in the Schedules and Statements as "contingent," "unliquidated," or "disputed" does not constitute an admission by the Debtors that such Claim or amount is not "contingent," "unliquidated," or "disputed." The Debtors reserve all their rights to dispute, or to assert offsets or defenses to, any Claim reflected on their Schedules or Statements on any grounds, including, but not limited to, amount, liability, priority, status, or classification, or to otherwise subsequently designate any Claim as "contingent," "unliquidated," or "disputed." Moreover, the Debtors reserve all of their rights to amend their Schedules and Statements as necessary and appropriate. Listing a Claim does not constitute an admission of liability by the Debtors.
- (e) **Estimates and Assumptions.** To prepare and file the Schedules and Statements as close to the Petition Date as possible, the Debtors were required to make commercially reasonable estimates and assumptions with respect to the reported amounts of assets and liabilities, the amount of contingent assets and contingent liabilities, and the reported amounts of revenues and expenses during the applicable reporting periods. Actual results could differ from such estimates. The Debtors reserve all rights to amend the reported amounts of assets and liabilities to reflect changes in those estimates or assumptions.

- (f) **Causes of Action.** Despite reasonable efforts, the Debtors may not have identified and/or set forth all of their causes of action (filed or potential) against third parties as assets in their Schedules and Statements, including, without limitation, avoidance actions arising under chapter 5 of the Bankruptcy Code and actions under other relevant bankruptcy and non-bankruptcy laws to recover assets. The Debtors reserve all rights with respect to any causes of action (including avoidance actions), controversy, right of setoff, cross claim, counterclaim, or recoupment and any Claim on contracts or for breaches of duties imposed by law or in equity, demand, right, action, lien, indemnity, guaranty, suit, obligation, liability, damage, judgment, account, defense, power, privilege, license, and franchise of any kind or character whatsoever, known, unknown, fixed or contingent, matured or unmatured, suspected or unsuspected, liquidated or unliquidated, disputed or undisputed, secured or unsecured, assertable directly or derivatively, whether arising before, on, or after the Petition Date, in contract or in tort, in law or in equity, or pursuant to any other theory of law they may have (collectively, “Causes of Action”), and neither the Global Notes nor the Schedules and Statements shall be deemed a waiver of any such Claims, Causes of Action, or avoidance actions, or in any way prejudice or impair the assertion of such Claims or Causes of Action.
- (g) **Intellectual Property Rights.** Exclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have been abandoned, have been terminated, or otherwise have expired by their terms, or have been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have not been abandoned, have not been terminated, or otherwise have not expired by their terms, or have not been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. The Debtors have made every effort to attribute intellectual property to the rightful Debtor owner, however, in some instances, intellectual property owned by one Debtor may, in fact, be owned by another. Accordingly, the Debtors reserve all of their rights with respect to the legal status of any and all intellectual property rights.
- (h) **Insiders.** The Debtors have attempted to include payments made on or within twelve months before the Petition Date to any individual or entity who, in the Debtors’ good faith belief, may be deemed an “insider.” As to each Debtor, an individual or entity is designated as an “insider” for the purposes of the Schedules and Statements if such individual or entity, based on the totality of the circumstances, has at least a controlling interest in, or exercises sufficient authority over, the Debtor, so as to unqualifiedly dictate corporate policy and the disposition of corporate assets. Certain of the individuals or entities identified as insiders may not have been insiders for the entirety of the twelve-month period before the Petition Date and might not be “insiders” at all, but the Debtors have included them herein out of an abundance of caution.

The listing or omission of a party as an insider for purposes of the Schedules and Statements is for informational purposes and is not intended to be, nor should it be,

construed as an admission that those parties are insiders for purposes of section 101(31) of the Bankruptcy Code. Information regarding the individuals or entities listed as insiders in the Schedules and Statements may not be used for: (a) the purposes of determining (i) control of the Debtors; (ii) the extent to which any individual or entity exercised management responsibilities or functions; (iii) corporate decision-making authority over the Debtors; or (iv) whether such individual or entity (or the Debtors) could successfully argue that they are not an insider under applicable law, including the Bankruptcy Code and federal securities laws, or with respect to any theories of liability or (b) any other purpose. Furthermore, the listing or omission of a party as an insider for purposes of the Schedules and Statements is not intended to be, nor should it be, construed as an admission of any fact, right, Claim, or defense, and all such rights, Claims, and defenses are hereby expressly reserved.

3. Methodology.

- (a) **Basis of Presentation.** For external financial reporting purposes, prior to the Petition Date, the Debtors prepared consolidated financial statements that were consolidated by the Parent Debtor, Bed Bath & Beyond Inc. Combining the assets and liabilities set forth in the Debtors' Schedules and Statements would result in amounts that would be substantially different from financial information that would be prepared on a consolidated basis under GAAP. Therefore, these Schedules and Statements neither purport to represent financial statements prepared in accordance with GAAP nor are they intended to fully reconcile to the financial statements prepared by the Debtors. Unlike the consolidated financial statements, these Schedules and Statements, except where otherwise indicated, reflect the assets and liabilities of each separate Debtor. Information contained in the Schedules and Statements has been derived from the Debtors' books and records and historical financial statements.
- (b) Additionally, the Debtors typically report financials on a banner level instead of at the legal entity level. As such, in certain instances, to the extent necessary, the assets and liabilities reflected on the Debtors' Schedules and Statements may be consolidated even further to account for the Debtors historical practices with respect to financial reporting.
- (c) Moreover, given, among other things, the uncertainty surrounding the valuation, collection, and ownership of certain assets and the valuation and nature of certain liabilities, to the extent that a Debtor shows more assets than liabilities, it is not an admission that the Debtor was solvent as of the Petition Date or at any time prior to the Petition Date. Likewise, to the extent a Debtor shows more liabilities than assets, it is not an admission that the Debtor was insolvent as of the Petition Date or any time prior to the Petition Date. For the avoidance of doubt, nothing contained in the Schedules and Statements is indicative of the Debtors' enterprise value. The Schedules and Statements contain unaudited information that is subject to further review and potential adjustment.

- (d) **Confidential or Sensitive Information.** There may be instances in which certain information in the Schedules and Statements intentionally has been redacted due to, among other things, the nature of an agreement between a Debtor and a third party, local restrictions on disclosure, concerns about the confidential or commercially sensitive nature of certain information (e.g., names and other information), or concerns for the privacy of the Debtors' creditors and clients. The alterations will be limited to only what is necessary to protect the Debtor or the applicable third party. The Debtors may also be authorized or required to redact certain information from the public record pursuant to orders of the Court authorizing the Debtors to redact, seal, or otherwise protect such information from public disclosure. All such redacted information shall be made available as directed by orders of the Court or to the individual client or creditor scheduled, as applicable.
- (e) **Duplication.** Certain of the Debtors' assets, liabilities, and prepetition payments may properly be disclosed in response to multiple parts of the Statements and Schedules. To the extent these disclosures would be duplicative, the Debtors have determined to only list such assets, liabilities, and prepetition payments once.
- (f) **Net Book Value.** In certain instances, current market valuations for certain assets are neither maintained by, nor readily available to, the Debtors. Accordingly, unless otherwise indicated, the Debtors' Schedules and Statements reflect net book values as of February 25, 2023. Market values may vary, sometimes materially, from net book values. The Debtors believe that it would be an inefficient use of estate assets for the Debtors to obtain the current market values of certain property. Accordingly, the Debtors have indicated in the Schedules and Statements that the values of certain assets and liabilities are undetermined or unknown.
- (g) In addition, assets that have been fully depreciated or that were expensed for accounting purposes either do not appear in these Schedules and Statements or are listed with a zero-dollar value, as such assets have no net book value. The omission of an asset from the Schedules and Statements does not constitute a representation regarding the ownership of such asset, and any such omission does not constitute a waiver of any rights of the Debtors with respect to such asset. Given, among other things, the current market valuation of certain assets and the valuation and nature of certain liabilities, nothing in the Schedules and Statements shall be, or shall be deemed to be, an admission that any Debtor was solvent or insolvent as of the Petition Date.
- (h) **Property and Equipment.** Unless otherwise indicated, owned property and equipment are stated at net book value. The Debtors may lease furniture, fixtures, and equipment from certain third-party lessors. Any such leases are set forth in the Schedules and Statements. Nothing in the Schedules and Statements is, or shall be construed as, an admission as to the determination as to the legal status of any lease (including whether any lease is a true lease or a financing arrangement), and the Debtors reserve all of their rights with respect to same.

- (i) **Inventory.** The Debtors' inventory is comprised of finished merchandise and is stated at the lower of weighted average cost and net realizable value. The calculation of cost includes merchandise purchases, the costs to bring the merchandise to distribution centers, warehousing and handling expenditures, and distributing and delivering merchandise to stores and fulfillment centers (direct and indirect). These costs include depreciation of long-lived assets utilized in acquiring, warehousing, and distributing inventory. Carrying values of inventory are analyzed and, to the extent that the cost of inventory exceeds the expected selling prices less reasonable costs to sell, provisions are made to reduce the carrying amount of the inventory. The Debtors review their inventory levels in order to identify slow-moving merchandise and uses merchandise markdowns to sell such merchandise, as needed. Since the determination of net realizable value of inventory involves both estimation and judgment with regard to market values and reasonable costs to sell, differences in these estimates could result in ultimate valuations that differ from the recorded asset. The majority of inventory purchases and commitments are made in U.S. dollars in order to limit the Debtors' exposure to foreign currency fluctuations.
- (j) **Allocation of Liabilities.** The Debtors, in consultation with their advisors, have sought to allocate liabilities between the prepetition and postpetition periods based on the information and research that was conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between prepetition and postpetition periods may change. The Debtors reserve the right to amend and/or supplement the Schedules and Statements as they deem appropriate in this regard.
- (k) **Undetermined Amounts.** The description of an amount as "unknown," "undetermined," or "to be determined" is not intended to reflect upon the materiality of such amount.
- (l) **Unliquidated Claim Amounts.** Claim amounts that could not be readily quantified by the Debtors are scheduled as "unliquidated."
- (m) **Totals.** All totals that are included in the Schedules and Statements represent totals of all the known amounts included in the Schedules and Statements. To the extent there are unknown or undetermined amounts, the actual total may be different than the listed total. To the extent a Debtor is a guarantor of debt held by another Debtor, the amounts reflected in these Schedules are inclusive of each Debtor's guarantor obligations.
- (n) **Paid Claims.** Pursuant to certain orders of the Court entered in the Debtors' Chapter 11 Cases shortly after the Petition Date (collectively, the "First Day Orders"), as well as other orders of the Court, the Debtors are authorized (but not directed) to pay certain outstanding prepetition payables pursuant to bankruptcy or other court order; as such, outstanding liabilities may have been reduced by any court-approved postpetition payments made on prepetition payables. Where and to

the extent these liabilities have been satisfied, they are not listed in the Schedules and Statements, unless otherwise indicated. Regardless of whether such Claims are listed in the Schedules and Statements, to the extent the Debtors later pay any amount of the Claims listed in the Schedules and Statements pursuant to any orders entered by the Court, the Debtors reserve all rights to amend or supplement the Schedules and Statements or to take other action, such as filing Claims objections, as is necessary and appropriate to avoid overpayment or duplicate payments for liabilities. Nothing contained herein should be deemed to alter the rights of any party in interest to contest a payment made pursuant to an order of the Court where such order preserves the right to contest such payment.

- (o) **Other Paid Claims.** To the extent the Debtors have reached any postpetition settlement with a vendor or other creditor, the terms of such settlement will prevail, supersede amounts listed in the Debtors' Schedules and Statements, and shall be enforceable by all parties, subject to any necessary Court approval. To the extent the Debtors pay any of the Claims listed in the Schedules and Statements pursuant to any orders entered by the Court, the Debtors reserve all rights to amend and supplement the Schedules and Statements and take other action, such as filing Claims objections, as is necessary and appropriate to avoid overpayment or duplicate payment for such liabilities.
- (p) **Intercompany Receivables and Payables.** Receivables and payables among the Debtors and among the Debtors and their non-Debtor affiliates are reported on Schedule A/B and Schedule E/F, respectively, per the Debtors' unaudited books and records. Intercompany loan amounts scheduled may include accrued and unpaid interest. The listing of any amounts with respect to such receivables and payables is not, and should not be construed as, an admission or conclusion of the Debtors regarding the allowance, classification, validity, or priority of such account or characterization of such balances as debt, equity, or otherwise. For the avoidance of doubt, the Debtors reserve all rights, Claims, and defenses in connection with any and all intercompany receivables and payables, including, but not limited to, with respect to the characterization of intercompany Claims, loans, and notes.
- (q) Without limiting the generality of the foregoing, certain intercompany receivables and payables among and between the Debtors have been consolidated and netted in the Debtors' books and records. Such treatment is not, and should not be construed as, an admission of the amount and/or validity of any such intercompany receivables and payables or the validity of any netting or offset per the Debtors' books and records. The Debtors take no position in these Schedules and Statements as to whether any such amounts would be allowed as a Claim or an interest, or not allowed at all. The listing of these amounts is not necessarily indicative of the ultimate recovery, if any, on any intercompany asset account or the impairment or Claim status of any intercompany liability account. The Debtors reserve all rights to later change the amounts, characterization, classification, categorization, or designation of intercompany accounts reported in the Schedules and Statements.

- (r) In addition, certain of the Debtors act on behalf of other Debtors. Reasonable efforts have been made to indicate the ultimate beneficiary of a payment or obligation. Whether a particular payment or obligation was incurred by the entity actually making the payment or incurring the obligation is a complex question of applicable non-bankruptcy law, and nothing herein constitutes an admission that any Debtor entity is an obligor with respect to any such payment. The Debtors reserve all rights to reclassify any payment or obligation as attributable to another entity and all rights with respect to the proper accounting and treatment of such payments and liabilities.
- (s) **Guarantees and Other Secondary Liability Claims.** The Debtors have exercised reasonable efforts to locate and identify guarantees and other secondary liability Claims (collectively, the “Guarantees”) in each of their executory contracts, unexpired leases, secured financings, debt instruments, and other such agreements. It would be prohibitively expensive, unduly burdensome, and an inefficient use of estate assets for the Debtors to review all of their contractual agreements for Guarantees. Where such Guarantees have been identified, they have been included in the relevant Schedules G and H for the affected Debtor or Debtors. The Debtors may have inadvertently omitted Guarantees embedded in their contractual agreements and may identify additional Guarantees as they continue their review of their books and records and contractual agreements. The Debtors reserve their rights, but are not required, to amend the Schedules and Statements if additional Guarantees are identified.
- (t) **Claims of Third-Party Related Entities.** While the Debtors have made every effort to properly classify each Claim listed in the Schedules as being either disputed or undisputed, liquidated or unliquidated, and contingent or noncontingent, the Debtors have not been able to fully reconcile all payments made to certain third parties and their related entities on account of the Debtors’ obligations to same. Therefore, to the extent that the Debtors have classified their estimate of Claims of a creditor as disputed, all Claims of such creditor’s affiliates listed in the Schedules and Statements shall similarly be considered as disputed, whether or not they are designated as such.
- (u) **Excluded Assets and Liabilities.** The Debtors have excluded certain categories of assets, tax accruals, and liabilities from the Schedules and Statements, including without limitation: accrued salaries; employee benefit accruals; certain deferred charges, accounts, or reserves recorded only for purposes of complying with the requirements of GAAP; deferred tax assets and liabilities; goodwill; deferred revenue accounts; and certain other accrued liabilities. In addition, and as set forth above, the Debtors may have excluded amounts for which the Debtors have paid or have been granted authority to pay pursuant to the First Day Orders or other order that may be entered by the Court. Additionally, certain immaterial or de minimis assets and liabilities may have been excluded.
- (v) **Liens.** The inventories, property, and equipment listed in the Statements and Schedules are presented without consideration of any asserted mechanics’,

materialmen, or similar liens that may attach (or have attached) to such inventories, property, and equipment.

- (w) **Currency.** Unless otherwise indicated, all amounts are reflected in U.S. dollars.
- (x) **Setoffs.** The Debtors may incur certain setoffs and other similar rights during the ordinary course of business. Offsets in the ordinary course can result from various items, including, without limitation, loan transactions, intercompany transactions, pricing discrepancies, returns, warranties, and other disputes between the Debtors and their customers and/or suppliers. These offsets and other similar rights are consistent with the ordinary course of business in the Debtors' industry and are not tracked separately. Therefore, although such offsets and other similar rights may have been accounted for when certain amounts were included in the Schedules, offsets are not independently accounted for, and as such, are excluded from the Schedules.
- (y) **Contingent Assets.** The Debtors believe that they may possess certain Claims and Causes of Action against various parties. Additionally, the Debtors may possess contingent Claims in the form of various avoidance actions they could commence under the provisions of chapter 5 of the Bankruptcy Code and other relevant non-bankruptcy laws. The Debtors, despite reasonable efforts, may not have identified and/or set forth all of their Causes of Action against third parties as assets in their Schedules and Statements. The Debtors reserve all of their rights with respect to any Claims, Causes of Action, or avoidance actions they may have, and nothing contained in these Global Notes or the Schedules and Statements shall be deemed a waiver of any such Claims, avoidance actions, or Causes of Action or in any way prejudice or impair the assertion of such Claims.
- (z) Additionally, prior to the Petition Date, each Debtor, as plaintiff, may have commenced various lawsuits in the ordinary course of its business against third parties seeking monetary damages. Refer to each Statement, Part 3, Question 7, for lawsuits commenced prior to the relevant Petition Date in which the Debtor was a plaintiff.
- (aa) **Executory Contracts.** Although the Debtors made diligent efforts to attribute an executory contract to its rightful Debtor, in certain instances, the Debtors may have inadvertently failed to do so. Accordingly, the Debtors reserve all of their rights with respect to the named parties of any and all executory contracts, including the right to amend Schedule G. The Debtors have excluded nondisclosure agreements entered into in connection with these Chapter 11 Cases to avoid any potential breach of such nondisclosure agreements. Additionally, certain contracts may have expired after the Petition Date, in which case the Debtors have noted such expiration next to the applicable contract in Schedule G.
- (bb) **Leases.** The Debtors have not included in the Schedules and Statements the future obligations of any capital or operating leases. To the extent that there was an

amount outstanding as of the Petition Date, the creditor has been included on Schedule E/F of the Schedules.

- (cc) **Fiscal Year.** Each Debtor's most recent fiscal year ended on February 25, 2023. The Debtors operate on a 4-4-5 calendar for financial reporting, and the date on which the fiscal year ends can change annually.
- (dd) **Umbrella or Master Agreements.** Contracts and leases listed in the Schedules and Statements may be umbrella or master agreements that cover relationships with some or all of the Debtors. Where relevant, such agreements have been listed in the Schedules and Statements only for the Debtor entity that signed the original umbrella or master agreement. Other Debtors, however, may be liable together with such Debtor on account of such agreements and the Debtors reserve all rights to amend the Schedules to reflect changes regarding the liability of the Debtors with respect to such agreements, if appropriate. The master service agreements have been listed in Schedule G, but do not reflect any decision by the Debtor as to whether or not such agreements are executory in nature.
- (ee) **Credits and Adjustments.** The Claims of individual creditors for, among other things, goods, products, services, or taxes are listed in the amounts entered on the Debtors' books and records and may either (i) not reflect credits, allowances, or other adjustments due from such creditors to the Debtors or (ii) be net of accrued credits, allowances, or other adjustments that are actually owed by a creditor to the Debtors on a postpetition basis on account of such credits, allowances, or other adjustments earned from prepetition payments and vendor payments, if applicable. The Debtors reserve all of their rights with regard to such credits, allowances, or other adjustments, including, but not limited to, the right to modify the Schedules, assert Claims objections and/or setoffs with respect to the same, or apply such allowances in the ordinary course of business on a postpetition basis.
- (ff) **Payments.** The financial affairs and business of the Debtors are complex. Prior to the Petition Date, the Debtors maintained a cash management and disbursement system in the ordinary course of their businesses. Although efforts have been made to attribute open payable amounts to the correct legal entity, the Debtors reserve the right to modify or amend their Schedules and Statements to attribute such payment to a different legal entity, if appropriate.

Specific Schedule Disclosures

1. Schedule A/B – Assets – Real and Personal Property.

- (a) *Part 3 – Accounts Receivable.*
 - (i) *Item 11.* Due to the volume of the Debtors' financial records with respect to accounts receivable, and the Debtors' inability to break out accounts receivable that are more than ninety days old, the entire amount of accounts receivable is disclosed in the aggregate in part "c."

(b) *Part 7 – Office Furniture, Fixtures, and Equipment; and Collectibles.*

- (i) *Items 39-55.* In an effort to reduce the volume of the disclosures that would be otherwise applicable, the Debtors are disclosing their fixed assets at the category level.

(c) *Part 8 – Machinery, Equipment, and Vehicles.*

- (i) *Item 47.* The Debtors own certain automobiles that have been fully depreciated and carry a net book value of \$0. These assets have not been listed in the Schedules.

(d) *Part 10 – Intangibles and Intellectual Property.*

- (i) *Item 61.* Although the Debtors made diligent efforts to attribute each internet domain name to its rightful Debtor, in certain instances, the Debtors were unable to identify the current legal entity to which the internet domain name belonged. As such, the Debtors attributed those internet domain names to Debtor Bed Bath & Beyond Inc. on the Schedule.

(e) *Part 11 – All Other Assets.*

- (i) *Item 73.* The Debtors' insurance policies apply to each Debtor entity, but in an effort to reduce the volume of the disclosures that would be otherwise applicable, the Debtors are only disclosing their insurance policies on Bed Bath & Beyond Inc.'s Schedule A/B.

2. Schedule D – Creditors Who Have Claims Secured by Property.

(a) *Part 1 – List Creditors Who Have Secured Claims.*

- (i) The Debtors' creditors holding secured funded debt Claims are listed only on Debtor Bed Bath & Beyond, Inc.'s Schedule D, and not on the Schedule D of each of the subsidiary Debtors.

3. Schedule E/F – Creditors Who Have Unsecured Claims.

(a) *Part 1 – Creditors with Priority Unsecured Claims.*

- (i) **Priority Tax Claims:** Pursuant to the *Interim Order (I) Authorizing the Payment of Certain Taxes and Fees and (II) Granting Related Relief* [Docket No. 94] (the "Interim Taxes Order"), the Debtors have been granted the authority to pay, in their discretion, certain tax liabilities that accrued prepetition. Accordingly, any unsecured priority Claims based upon prepetition tax accruals may have been paid or may be paid pursuant to the Interim Taxes Order or pursuant to further Court order. Therefore, the Debtors have listed the taxing authorities with a contingent, undetermined, or \$0 amount.

The Debtors have made a reasonable effort to list all known taxing authorities. However, the Debtors acknowledge the possibility that information related to material tax accruals may be discovered subsequent to the filing of the Schedules and Statements. The Debtors reserve the right to supplement or amend this response in the future if additional information becomes available, should the Debtors deem it appropriate.

- (ii) **Employee Claims:** Furthermore, pursuant to the *Final Order (I) Authorizing the Debtors to (A) Pay Prepetition Wages, Salaries, Other Compensation, and Reimbursable Expenses and (B) Continue Employee Benefits Programs, and (II) Granting Related Relief* [Docket No. 388] (the “Wages Order”) the Debtors received final authority to pay certain prepetition obligations, including to pay employee wages and other employee benefits, in the ordinary course of business. The Debtors believe that any non-insider employee Claims for prepetition amounts related to ongoing payroll and benefits, whether allowable as a priority or nonpriority Claim, have been or will be satisfied, and such satisfied amounts are not listed.

The listing of a Claim on Schedule E/F, Part 1, does not constitute an admission by the Debtors that such Claim or any portion thereof is entitled to priority status.

Except as otherwise agreed pursuant to a stipulation or order entered by the Court, the Debtors reserve their rights to dispute or challenge the validity or immunity from avoidance of any Claim purported to be granted to a creditor listed on Schedule E/F. Moreover, although the Debtors have scheduled Claims of various creditors, the Debtors reserve all rights to dispute or challenge any such creditor’s Claim or the characterization of the structure of any such transaction or any document or instrument related to such creditor’s Claim.

- (b) *Part 2 – Creditors with Nonpriority Unsecured Claims.* The liabilities identified on Schedule E/F, Part 2, are derived from the Debtors’ books and records. The Debtors have made a reasonable attempt to verify their unsecured obligations, although the actual amount of Claims against the Debtors may vary from those liabilities represented on Schedule E/F, Part 2. The listed liabilities may not reflect the correct amount of any unsecured creditor’s allowed Claims or the correct amount of all unsecured Claims.

As noted in paragraph 3(b) above, the Debtors generally allocate individual liabilities to particular banners. In most cases, it would be a time consuming and inefficient use of estate resources, or impracticable, to assign a given liability to a particular Debtor based on a contractual obligation. Instead, Schedule E/F, Part 2, reflects the liability as recorded in the Debtors’ books and records.

Schedule E/F, Part 2, contains information regarding certain compensation related Claims of current and former employees of the Debtors, with such Claims being listed as both “contingent” and “unliquidated.” In scheduling such Claims, the Debtors make no representation or assertion as to the validity of such Claims, and the Debtors reserve all rights, Claims, and defenses in connection therewith.

Schedule E/F, Part 2, contains information regarding material pending litigation involving the Debtors. The amounts for these potential Claims are listed as “undetermined” and are marked as contingent, unliquidated, and disputed in the Schedules.

Schedule E/F, Part 2, reflects certain prepetition amounts owing to counterparties to executory contracts and unexpired leases. Such prepetition amounts, however, may be paid in connection with the assumption or assumption and assignment of an executory contract or unexpired lease. In addition, Schedule E/F, Part 2, does not include Claims that may arise in connection with the rejection of any executory contract or unexpired lease, if any, that may be or have been rejected.

In many cases, the Claims listed on Schedule E/F, Part 2, arose, accrued, or were incurred on various dates or on a date or dates that are unknown to the Debtors or are subject to dispute. Where the determination of the date on which a Claim arose, accrued, or was incurred would be unduly burdensome and costly to the Debtors’ estates, the Debtors have not listed a specific date or dates for such Claim.

The Debtors have included payables liabilities in Schedule E/F reflecting amounts recorded in their books and records as of approximately May 25, 2023. As of the date hereof, the Debtors may not have received all invoices for payables, expenses, and other liabilities that accrued prior to the Petition Date, and continue to reconcile their books and records for the determination of prepetition liabilities. Accordingly, the information contained in Schedules D and E/F may be incomplete. The Debtors reserve their rights, but undertake no obligation, to amend Schedules D and E/F if and as they receive additional prepetition invoices.

Customer Gift Cards. With respect to gift cards, the Debtors cannot ascertain the identity of the vast majority of the holders of such gift cards or whether such cards are still in existence. Therefore, the Debtors have not included any holders of gift cards on the Schedules. The Debtors estimate that as of the Petition Date, approximately \$350 million of gift cards were outstanding, and this amount is not specifically identified on the Schedules.

4. Schedule H – Codebtors.

- (a) *Item 2.* Similar to the treatment of Schedule D, Guarantees with respect to the Debtors’ secured funded debt obligations are listed on Debtor Bed Bath & Beyond Inc.’s Schedule H, and not on the Schedule H of each of the subsidiary Debtors.

Specific Statement Disclosures

1. **Statement, Part 10, Question 19.** As part of their historical practice, the Debtors maintain safes at all of their stores. Generally, however, the Debtors do not maintain safety deposit boxes otherwise. Given the volume of the Debtors' stores, and thereby the volume of the Debtors' safes, in an effort to reduce the volume of disclosures that would be otherwise applicable, the Debtors have not included this information on the Statements.
2. **Statement, Part 13, Question 26.** The Debtors provide certain parties, such as banks, factors, auditors, potential investors, vendors, and financial advisors, with financial statements. The Debtors do not maintain complete lists or other records tracking such disclosures. Therefore, the Debtors have not provided full lists of these parties in Part 13, Question 26 of the Statements.
3. **Statement, Part 13, Question 27.** The Debtors inventory product at their various store locations and distribution centers on a rolling basis. In an effort to reduce the volume of disclosures that would be otherwise applicable, the Debtors have omitted such frequent cycle counts conducted by the stores and distribution centers.
4. **Statement, Part 13, Question 29.** The Debtors' records are incomplete as to dates of appointment or resignation for former directors and officers. The Debtors cannot ascertain the identity of all former directors and officers, but the Debtors have made reasonable efforts to list all known former directors and officers.

the “Schedules and Statements”) filed by Bed Bath & Beyond Inc. (the “Company”) and its seventy-three debtor affiliates, as chapter 11 debtors and debtors in possession (collectively, the “Debtors”) pending in the United States Bankruptcy Court for the District of New Jersey (the “Court”) were prepared, pursuant to section 521 of title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the “Bankruptcy Code”) and rule 1007 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), by management of the Debtors, with the assistance of the Debtors’ legal and financial advisors. The Schedules and Statements are unaudited and do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States (“GAAP”), and they are not intended to be fully reconciled to the financial statements.

In preparing the Schedules and Statements, the Debtors relied on financial data derived from their books and records that was available at the time of such preparation. Although the Debtors’ have made every reasonable effort to ensure that the Schedules and Statements are accurate and complete based on information that was available to them at the time of preparation, subsequent information or discovery may result in material changes to these Schedules and Statements, and inadvertent errors or omissions may have occurred. Accordingly, the Debtors and their agents, attorneys, and financial advisors do not guarantee or warrant the accuracy of completeness of the data that is provided herein, and shall not be liable for any loss or injury arising out of or caused in whole or in part by the acts, errors, or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating, or delivering the information contained herein. In no event will the Debtors, their agents, or their advisors be liable to any third party for any direct, indirect, incidental, consequential, or special damages (including, but not limited to, damages arising from the disallowance of a potential Claim (as defined herein) against the Debtors or damages to business reputation, lost business, or lost profits), whether foreseeable or not and however caused, even if the Debtors or their agents, attorneys, and financial advisors are advised of the possibility of such damages.

Subsequent receipt of information or an audit may result in material changes in financial data requiring amendment of the Schedules and Statements. Accordingly, the Schedules and Statements remain subject to further review and verification by the Debtors. The Debtors reserve their right to amend the Schedules and Statements from time-to-time as may be necessary or appropriate; *provided*, that the Debtors, their agents, and their advisors expressly do not undertake any obligation to update, modify, revise, or recategorize the information provided herein or to notify any third party should the information be updated, modified, revised, or recategorized, except as required by applicable law.

Holly Etlin, the Chief Restructuring Officer and Chief Financial Officer of the Debtors, has signed each of the Schedules and Statements. Mrs. Etlin is an authorized signatory for each of the Debtors. In reviewing and signing the Schedules and Statements, Mrs. Etlin has relied upon the efforts, statements, advice, and representations of various personnel of the Debtors and the Debtors’ legal and financial advisors. Mrs. Etlin has not (and could not have) personally verified the accuracy of each statement and representation contained in the Schedules and Statements, including statements and representations concerning amounts owed to creditors, classification of such amounts, and creditor addresses.

These general notes regarding the Debtors' Schedules and Statements (the "Global Notes") comprise an integral part of the Schedules and Statements filed by the Debtors and should be referenced in connection with any review of the Schedules and Statements. If the Schedules and/or Statements differ from these Global Notes, the Global Notes shall control. Nothing contained in the Schedules and Statements shall constitute a waiver of any rights or Claims of the Debtors against any third party, or with respect to any aspect of these chapter 11 cases (the "Chapter 11 Cases").

Global Notes and Overview of Methodology

1. **Description of Cases.** On April 23, 2023 (the "Petition Date"), each of the Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code. The Debtors are operating their businesses and managing their property as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On April 24, 2023, the Court entered an order [Docket No. 75] authorizing procedural consolidation and joint administration of these Chapter 11 Cases pursuant to Bankruptcy Rule 1015(b). Notwithstanding the joint administration of the Debtors' cases for procedural purposes, each Debtor has filed its own Schedules and Statement. The asset information provided herein, except as otherwise noted, represents the asset data of the Debtors as of February 25, 2023, the date of the Debtors' month end closure to their balance sheet, and the liability data of the Debtors is as of the close of business on the Petition Date.
2. **Reservation of Rights.** Reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements; however, as noted above, inadvertent errors or omissions may exist. The Debtors reserve all rights to: (i) amend and/or supplement the Schedules and Statements from time to time, in all respects, as may be necessary or appropriate, including the right to amend the Schedules and Statements with respect to the description, designation, or Debtor against which any claim against a Debtor ("Claim")² is asserted; (ii) dispute or otherwise assert offsets, setoffs, or other defenses to any Claim reflected in the Schedules and Statements as to amount, liability, priority, status, or classification; (iii) subsequently designate any Claim as "disputed," "contingent," or "unliquidated;" or (iv) object to the extent, validity, enforceability, priority, or avoidability of any Claim (regardless of whether such Claim is designated in the Schedules and Statements as "disputed," "contingent," or "unliquidated"). Any failure to designate a Claim in the Schedules and Statements as "disputed," "contingent," or "unliquidated" does not constitute an admission by the Debtors that such Claim or amount is not "disputed," "contingent," or "unliquidated," or a waiver of any right to later object to any Claim on any grounds. Listing a Claim does not constitute an admission of (a) liability or (b) amounts due or owed, if any, in each case, by the Debtor against which the Claim is listed or against any of the Debtors. Furthermore, nothing contained in the Schedules and Statements shall constitute a waiver of rights with respect to the Debtors' Chapter 11 Cases, including, without limitation, any rights or Claims of the Debtors against any third party or issues involving substantive consolidation, defenses, statutory or equitable subordination, and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers. Any specific

² For the purposes of these Global Notes, the term Claim shall have the meaning ascribed to it pursuant to section 101(5) of the Bankruptcy Code.

reservation of rights contained elsewhere in the Global Notes does not limit in any respect the general reservation of rights contained in this paragraph.

- (a) **No Admission.** Nothing contained in the Schedules and Statements is intended as, or should be construed as, an admission or stipulation of the validity of any Claim against any Debtors, any assertion made therein or herein, or a waiver of any of the Debtors' rights to dispute any Claim or assert any cause of action or defense against any party.
- (b) **Recharacterization.** The Debtors have made reasonable efforts to correctly characterize, classify, categorize, and designate the Claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements. Nevertheless, due to the complexity of the Debtors' businesses, the Debtors may not have accurately characterized, classified, categorized, or designated certain items and/or may have omitted certain items. Accordingly, the Debtors reserve all of their rights to recharacterize, reclassify, recategorize, or redesignate items reported in the Schedules and Statements at a later time as necessary or appropriate, including, without limitation, whether contracts or leases listed herein were deemed executory or unexpired as of the Petition Date and remain executory and unexpired postpetition.
- (c) **Classifications.** Listing (i) a Claim on Schedule D as "secured," (ii) a Claim on Schedule E/F as "priority" or "unsecured," or (iii) a contract on Schedule G as "executory" or "unexpired" does not constitute an admission by the Debtors of the legal rights of the claimant or contract counterparty, or a waiver of the Debtors' rights to object to such Claim, recharacterize, or reclassify such Claim or contract.
- (d) **Claims Description.** Any failure to designate a Claim in the Schedules and Statements as "contingent," "unliquidated," or "disputed" does not constitute an admission by the Debtors that such Claim or amount is not "contingent," "unliquidated," or "disputed." The Debtors reserve all their rights to dispute, or to assert offsets or defenses to, any Claim reflected on their Schedules or Statements on any grounds, including, but not limited to, amount, liability, priority, status, or classification, or to otherwise subsequently designate any Claim as "contingent," "unliquidated," or "disputed." Moreover, the Debtors reserve all of their rights to amend their Schedules and Statements as necessary and appropriate. Listing a Claim does not constitute an admission of liability by the Debtors.
- (e) **Estimates and Assumptions.** To prepare and file the Schedules and Statements as close to the Petition Date as possible, the Debtors were required to make commercially reasonable estimates and assumptions with respect to the reported amounts of assets and liabilities, the amount of contingent assets and contingent liabilities, and the reported amounts of revenues and expenses during the applicable reporting periods. Actual results could differ from such estimates. The Debtors reserve all rights to amend the reported amounts of assets and liabilities to reflect changes in those estimates or assumptions.

- (f) **Causes of Action.** Despite reasonable efforts, the Debtors may not have identified and/or set forth all of their causes of action (filed or potential) against third parties as assets in their Schedules and Statements, including, without limitation, avoidance actions arising under chapter 5 of the Bankruptcy Code and actions under other relevant bankruptcy and non-bankruptcy laws to recover assets. The Debtors reserve all rights with respect to any causes of action (including avoidance actions), controversy, right of setoff, cross claim, counterclaim, or recoupment and any Claim on contracts or for breaches of duties imposed by law or in equity, demand, right, action, lien, indemnity, guaranty, suit, obligation, liability, damage, judgment, account, defense, power, privilege, license, and franchise of any kind or character whatsoever, known, unknown, fixed or contingent, matured or unmatured, suspected or unsuspected, liquidated or unliquidated, disputed or undisputed, secured or unsecured, assertable directly or derivatively, whether arising before, on, or after the Petition Date, in contract or in tort, in law or in equity, or pursuant to any other theory of law they may have (collectively, “Causes of Action”), and neither the Global Notes nor the Schedules and Statements shall be deemed a waiver of any such Claims, Causes of Action, or avoidance actions, or in any way prejudice or impair the assertion of such Claims or Causes of Action.
- (g) **Intellectual Property Rights.** Exclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have been abandoned, have been terminated, or otherwise have expired by their terms, or have been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have not been abandoned, have not been terminated, or otherwise have not expired by their terms, or have not been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. The Debtors have made every effort to attribute intellectual property to the rightful Debtor owner, however, in some instances, intellectual property owned by one Debtor may, in fact, be owned by another. Accordingly, the Debtors reserve all of their rights with respect to the legal status of any and all intellectual property rights.
- (h) **Insiders.** The Debtors have attempted to include payments made on or within twelve months before the Petition Date to any individual or entity who, in the Debtors’ good faith belief, may be deemed an “insider.” As to each Debtor, an individual or entity is designated as an “insider” for the purposes of the Schedules and Statements if such individual or entity, based on the totality of the circumstances, has at least a controlling interest in, or exercises sufficient authority over, the Debtor, so as to unqualifiedly dictate corporate policy and the disposition of corporate assets. Certain of the individuals or entities identified as insiders may not have been insiders for the entirety of the twelve-month period before the Petition Date and might not be “insiders” at all, but the Debtors have included them herein out of an abundance of caution.

The listing or omission of a party as an insider for purposes of the Schedules and Statements is for informational purposes and is not intended to be, nor should it be,

construed as an admission that those parties are insiders for purposes of section 101(31) of the Bankruptcy Code. Information regarding the individuals or entities listed as insiders in the Schedules and Statements may not be used for: (a) the purposes of determining (i) control of the Debtors; (ii) the extent to which any individual or entity exercised management responsibilities or functions; (iii) corporate decision-making authority over the Debtors; or (iv) whether such individual or entity (or the Debtors) could successfully argue that they are not an insider under applicable law, including the Bankruptcy Code and federal securities laws, or with respect to any theories of liability or (b) any other purpose. Furthermore, the listing or omission of a party as an insider for purposes of the Schedules and Statements is not intended to be, nor should it be, construed as an admission of any fact, right, Claim, or defense, and all such rights, Claims, and defenses are hereby expressly reserved.

3. Methodology.

- (a) **Basis of Presentation.** For external financial reporting purposes, prior to the Petition Date, the Debtors prepared consolidated financial statements that were consolidated by the Parent Debtor, Bed Bath & Beyond Inc. Combining the assets and liabilities set forth in the Debtors' Schedules and Statements would result in amounts that would be substantially different from financial information that would be prepared on a consolidated basis under GAAP. Therefore, these Schedules and Statements neither purport to represent financial statements prepared in accordance with GAAP nor are they intended to fully reconcile to the financial statements prepared by the Debtors. Unlike the consolidated financial statements, these Schedules and Statements, except where otherwise indicated, reflect the assets and liabilities of each separate Debtor. Information contained in the Schedules and Statements has been derived from the Debtors' books and records and historical financial statements.
- (b) Additionally, the Debtors typically report financials on a banner level instead of at the legal entity level. As such, in certain instances, to the extent necessary, the assets and liabilities reflected on the Debtors' Schedules and Statements may be consolidated even further to account for the Debtors historical practices with respect to financial reporting.
- (c) Moreover, given, among other things, the uncertainty surrounding the valuation, collection, and ownership of certain assets and the valuation and nature of certain liabilities, to the extent that a Debtor shows more assets than liabilities, it is not an admission that the Debtor was solvent as of the Petition Date or at any time prior to the Petition Date. Likewise, to the extent a Debtor shows more liabilities than assets, it is not an admission that the Debtor was insolvent as of the Petition Date or any time prior to the Petition Date. For the avoidance of doubt, nothing contained in the Schedules and Statements is indicative of the Debtors' enterprise value. The Schedules and Statements contain unaudited information that is subject to further review and potential adjustment.

- (d) **Confidential or Sensitive Information.** There may be instances in which certain information in the Schedules and Statements intentionally has been redacted due to, among other things, the nature of an agreement between a Debtor and a third party, local restrictions on disclosure, concerns about the confidential or commercially sensitive nature of certain information (e.g., names and other information), or concerns for the privacy of the Debtors' creditors and clients. The alterations will be limited to only what is necessary to protect the Debtor or the applicable third party. The Debtors may also be authorized or required to redact certain information from the public record pursuant to orders of the Court authorizing the Debtors to redact, seal, or otherwise protect such information from public disclosure. All such redacted information shall be made available as directed by orders of the Court or to the individual client or creditor scheduled, as applicable.
- (e) **Duplication.** Certain of the Debtors' assets, liabilities, and prepetition payments may properly be disclosed in response to multiple parts of the Statements and Schedules. To the extent these disclosures would be duplicative, the Debtors have determined to only list such assets, liabilities, and prepetition payments once.
- (f) **Net Book Value.** In certain instances, current market valuations for certain assets are neither maintained by, nor readily available to, the Debtors. Accordingly, unless otherwise indicated, the Debtors' Schedules and Statements reflect net book values as of February 25, 2023. Market values may vary, sometimes materially, from net book values. The Debtors believe that it would be an inefficient use of estate assets for the Debtors to obtain the current market values of certain property. Accordingly, the Debtors have indicated in the Schedules and Statements that the values of certain assets and liabilities are undetermined or unknown.
- (g) In addition, assets that have been fully depreciated or that were expensed for accounting purposes either do not appear in these Schedules and Statements or are listed with a zero-dollar value, as such assets have no net book value. The omission of an asset from the Schedules and Statements does not constitute a representation regarding the ownership of such asset, and any such omission does not constitute a waiver of any rights of the Debtors with respect to such asset. Given, among other things, the current market valuation of certain assets and the valuation and nature of certain liabilities, nothing in the Schedules and Statements shall be, or shall be deemed to be, an admission that any Debtor was solvent or insolvent as of the Petition Date.
- (h) **Property and Equipment.** Unless otherwise indicated, owned property and equipment are stated at net book value. The Debtors may lease furniture, fixtures, and equipment from certain third-party lessors. Any such leases are set forth in the Schedules and Statements. Nothing in the Schedules and Statements is, or shall be construed as, an admission as to the determination as to the legal status of any lease (including whether any lease is a true lease or a financing arrangement), and the Debtors reserve all of their rights with respect to same.

- (i) **Inventory.** The Debtors' inventory is comprised of finished merchandise and is stated at the lower of weighted average cost and net realizable value. The calculation of cost includes merchandise purchases, the costs to bring the merchandise to distribution centers, warehousing and handling expenditures, and distributing and delivering merchandise to stores and fulfillment centers (direct and indirect). These costs include depreciation of long-lived assets utilized in acquiring, warehousing, and distributing inventory. Carrying values of inventory are analyzed and, to the extent that the cost of inventory exceeds the expected selling prices less reasonable costs to sell, provisions are made to reduce the carrying amount of the inventory. The Debtors review their inventory levels in order to identify slow-moving merchandise and uses merchandise markdowns to sell such merchandise, as needed. Since the determination of net realizable value of inventory involves both estimation and judgment with regard to market values and reasonable costs to sell, differences in these estimates could result in ultimate valuations that differ from the recorded asset. The majority of inventory purchases and commitments are made in U.S. dollars in order to limit the Debtors' exposure to foreign currency fluctuations.
- (j) **Allocation of Liabilities.** The Debtors, in consultation with their advisors, have sought to allocate liabilities between the prepetition and postpetition periods based on the information and research that was conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between prepetition and postpetition periods may change. The Debtors reserve the right to amend and/or supplement the Schedules and Statements as they deem appropriate in this regard.
- (k) **Undetermined Amounts.** The description of an amount as "unknown," "undetermined," or "to be determined" is not intended to reflect upon the materiality of such amount.
- (l) **Unliquidated Claim Amounts.** Claim amounts that could not be readily quantified by the Debtors are scheduled as "unliquidated."
- (m) **Totals.** All totals that are included in the Schedules and Statements represent totals of all the known amounts included in the Schedules and Statements. To the extent there are unknown or undetermined amounts, the actual total may be different than the listed total. To the extent a Debtor is a guarantor of debt held by another Debtor, the amounts reflected in these Schedules are inclusive of each Debtor's guarantor obligations.
- (n) **Paid Claims.** Pursuant to certain orders of the Court entered in the Debtors' Chapter 11 Cases shortly after the Petition Date (collectively, the "First Day Orders"), as well as other orders of the Court, the Debtors are authorized (but not directed) to pay certain outstanding prepetition payables pursuant to bankruptcy or other court order; as such, outstanding liabilities may have been reduced by any court-approved postpetition payments made on prepetition payables. Where and to

the extent these liabilities have been satisfied, they are not listed in the Schedules and Statements, unless otherwise indicated. Regardless of whether such Claims are listed in the Schedules and Statements, to the extent the Debtors later pay any amount of the Claims listed in the Schedules and Statements pursuant to any orders entered by the Court, the Debtors reserve all rights to amend or supplement the Schedules and Statements or to take other action, such as filing Claims objections, as is necessary and appropriate to avoid overpayment or duplicate payments for liabilities. Nothing contained herein should be deemed to alter the rights of any party in interest to contest a payment made pursuant to an order of the Court where such order preserves the right to contest such payment.

- (o) **Other Paid Claims.** To the extent the Debtors have reached any postpetition settlement with a vendor or other creditor, the terms of such settlement will prevail, supersede amounts listed in the Debtors' Schedules and Statements, and shall be enforceable by all parties, subject to any necessary Court approval. To the extent the Debtors pay any of the Claims listed in the Schedules and Statements pursuant to any orders entered by the Court, the Debtors reserve all rights to amend and supplement the Schedules and Statements and take other action, such as filing Claims objections, as is necessary and appropriate to avoid overpayment or duplicate payment for such liabilities.
- (p) **Intercompany Receivables and Payables.** Receivables and payables among the Debtors and among the Debtors and their non-Debtor affiliates are reported on Schedule A/B and Schedule E/F, respectively, per the Debtors' unaudited books and records. Intercompany loan amounts scheduled may include accrued and unpaid interest. The listing of any amounts with respect to such receivables and payables is not, and should not be construed as, an admission or conclusion of the Debtors regarding the allowance, classification, validity, or priority of such account or characterization of such balances as debt, equity, or otherwise. For the avoidance of doubt, the Debtors reserve all rights, Claims, and defenses in connection with any and all intercompany receivables and payables, including, but not limited to, with respect to the characterization of intercompany Claims, loans, and notes.
- (q) Without limiting the generality of the foregoing, certain intercompany receivables and payables among and between the Debtors have been consolidated and netted in the Debtors' books and records. Such treatment is not, and should not be construed as, an admission of the amount and/or validity of any such intercompany receivables and payables or the validity of any netting or offset per the Debtors' books and records. The Debtors take no position in these Schedules and Statements as to whether any such amounts would be allowed as a Claim or an interest, or not allowed at all. The listing of these amounts is not necessarily indicative of the ultimate recovery, if any, on any intercompany asset account or the impairment or Claim status of any intercompany liability account. The Debtors reserve all rights to later change the amounts, characterization, classification, categorization, or designation of intercompany accounts reported in the Schedules and Statements.

- (r) In addition, certain of the Debtors act on behalf of other Debtors. Reasonable efforts have been made to indicate the ultimate beneficiary of a payment or obligation. Whether a particular payment or obligation was incurred by the entity actually making the payment or incurring the obligation is a complex question of applicable non-bankruptcy law, and nothing herein constitutes an admission that any Debtor entity is an obligor with respect to any such payment. The Debtors reserve all rights to reclassify any payment or obligation as attributable to another entity and all rights with respect to the proper accounting and treatment of such payments and liabilities.
- (s) **Guarantees and Other Secondary Liability Claims.** The Debtors have exercised reasonable efforts to locate and identify guarantees and other secondary liability Claims (collectively, the “Guarantees”) in each of their executory contracts, unexpired leases, secured financings, debt instruments, and other such agreements. It would be prohibitively expensive, unduly burdensome, and an inefficient use of estate assets for the Debtors to review all of their contractual agreements for Guarantees. Where such Guarantees have been identified, they have been included in the relevant Schedules G and H for the affected Debtor or Debtors. The Debtors may have inadvertently omitted Guarantees embedded in their contractual agreements and may identify additional Guarantees as they continue their review of their books and records and contractual agreements. The Debtors reserve their rights, but are not required, to amend the Schedules and Statements if additional Guarantees are identified.
- (t) **Claims of Third-Party Related Entities.** While the Debtors have made every effort to properly classify each Claim listed in the Schedules as being either disputed or undisputed, liquidated or unliquidated, and contingent or noncontingent, the Debtors have not been able to fully reconcile all payments made to certain third parties and their related entities on account of the Debtors’ obligations to same. Therefore, to the extent that the Debtors have classified their estimate of Claims of a creditor as disputed, all Claims of such creditor’s affiliates listed in the Schedules and Statements shall similarly be considered as disputed, whether or not they are designated as such.
- (u) **Excluded Assets and Liabilities.** The Debtors have excluded certain categories of assets, tax accruals, and liabilities from the Schedules and Statements, including without limitation: accrued salaries; employee benefit accruals; certain deferred charges, accounts, or reserves recorded only for purposes of complying with the requirements of GAAP; deferred tax assets and liabilities; goodwill; deferred revenue accounts; and certain other accrued liabilities. In addition, and as set forth above, the Debtors may have excluded amounts for which the Debtors have paid or have been granted authority to pay pursuant to the First Day Orders or other order that may be entered by the Court. Additionally, certain immaterial or de minimis assets and liabilities may have been excluded.
- (v) **Liens.** The inventories, property, and equipment listed in the Statements and Schedules are presented without consideration of any asserted mechanics’,

materialmen, or similar liens that may attach (or have attached) to such inventories, property, and equipment.

- (w) **Currency.** Unless otherwise indicated, all amounts are reflected in U.S. dollars.
- (x) **Setoffs.** The Debtors may incur certain setoffs and other similar rights during the ordinary course of business. Offsets in the ordinary course can result from various items, including, without limitation, loan transactions, intercompany transactions, pricing discrepancies, returns, warranties, and other disputes between the Debtors and their customers and/or suppliers. These offsets and other similar rights are consistent with the ordinary course of business in the Debtors' industry and are not tracked separately. Therefore, although such offsets and other similar rights may have been accounted for when certain amounts were included in the Schedules, offsets are not independently accounted for, and as such, are excluded from the Schedules.
- (y) **Contingent Assets.** The Debtors believe that they may possess certain Claims and Causes of Action against various parties. Additionally, the Debtors may possess contingent Claims in the form of various avoidance actions they could commence under the provisions of chapter 5 of the Bankruptcy Code and other relevant non-bankruptcy laws. The Debtors, despite reasonable efforts, may not have identified and/or set forth all of their Causes of Action against third parties as assets in their Schedules and Statements. The Debtors reserve all of their rights with respect to any Claims, Causes of Action, or avoidance actions they may have, and nothing contained in these Global Notes or the Schedules and Statements shall be deemed a waiver of any such Claims, avoidance actions, or Causes of Action or in any way prejudice or impair the assertion of such Claims.
- (z) Additionally, prior to the Petition Date, each Debtor, as plaintiff, may have commenced various lawsuits in the ordinary course of its business against third parties seeking monetary damages. Refer to each Statement, Part 3, Question 7, for lawsuits commenced prior to the relevant Petition Date in which the Debtor was a plaintiff.
- (aa) **Executory Contracts.** Although the Debtors made diligent efforts to attribute an executory contract to its rightful Debtor, in certain instances, the Debtors may have inadvertently failed to do so. Accordingly, the Debtors reserve all of their rights with respect to the named parties of any and all executory contracts, including the right to amend Schedule G. The Debtors have excluded nondisclosure agreements entered into in connection with these Chapter 11 Cases to avoid any potential breach of such nondisclosure agreements. Additionally, certain contracts may have expired after the Petition Date, in which case the Debtors have noted such expiration next to the applicable contract in Schedule G.
- (bb) **Leases.** The Debtors have not included in the Schedules and Statements the future obligations of any capital or operating leases. To the extent that there was an

amount outstanding as of the Petition Date, the creditor has been included on Schedule E/F of the Schedules.

- (cc) **Fiscal Year.** Each Debtor's most recent fiscal year ended on February 25, 2023. The Debtors operate on a 4-4-5 calendar for financial reporting, and the date on which the fiscal year ends can change annually.
- (dd) **Umbrella or Master Agreements.** Contracts and leases listed in the Schedules and Statements may be umbrella or master agreements that cover relationships with some or all of the Debtors. Where relevant, such agreements have been listed in the Schedules and Statements only for the Debtor entity that signed the original umbrella or master agreement. Other Debtors, however, may be liable together with such Debtor on account of such agreements and the Debtors reserve all rights to amend the Schedules to reflect changes regarding the liability of the Debtors with respect to such agreements, if appropriate. The master service agreements have been listed in Schedule G, but do not reflect any decision by the Debtor as to whether or not such agreements are executory in nature.
- (ee) **Credits and Adjustments.** The Claims of individual creditors for, among other things, goods, products, services, or taxes are listed in the amounts entered on the Debtors' books and records and may either (i) not reflect credits, allowances, or other adjustments due from such creditors to the Debtors or (ii) be net of accrued credits, allowances, or other adjustments that are actually owed by a creditor to the Debtors on a postpetition basis on account of such credits, allowances, or other adjustments earned from prepetition payments and vendor payments, if applicable. The Debtors reserve all of their rights with regard to such credits, allowances, or other adjustments, including, but not limited to, the right to modify the Schedules, assert Claims objections and/or setoffs with respect to the same, or apply such allowances in the ordinary course of business on a postpetition basis.
- (ff) **Payments.** The financial affairs and business of the Debtors are complex. Prior to the Petition Date, the Debtors maintained a cash management and disbursement system in the ordinary course of their businesses. Although efforts have been made to attribute open payable amounts to the correct legal entity, the Debtors reserve the right to modify or amend their Schedules and Statements to attribute such payment to a different legal entity, if appropriate.

Specific Schedule Disclosures

1. Schedule A/B – Assets – Real and Personal Property.

- (a) *Part 3 – Accounts Receivable.*
 - (i) *Item 11.* Due to the volume of the Debtors' financial records with respect to accounts receivable, and the Debtors' inability to break out accounts receivable that are more than ninety days old, the entire amount of accounts receivable is disclosed in the aggregate in part "c."

(b) *Part 7 – Office Furniture, Fixtures, and Equipment; and Collectibles.*

- (i) *Items 39-55.* In an effort to reduce the volume of the disclosures that would be otherwise applicable, the Debtors are disclosing their fixed assets at the category level.

(c) *Part 8 – Machinery, Equipment, and Vehicles.*

- (i) *Item 47.* The Debtors own certain automobiles that have been fully depreciated and carry a net book value of \$0. These assets have not been listed in the Schedules.

(d) *Part 10 – Intangibles and Intellectual Property.*

- (i) *Item 61.* Although the Debtors made diligent efforts to attribute each internet domain name to its rightful Debtor, in certain instances, the Debtors were unable to identify the current legal entity to which the internet domain name belonged. As such, the Debtors attributed those internet domain names to Debtor Bed Bath & Beyond Inc. on the Schedule.

(e) *Part 11 – All Other Assets.*

- (i) *Item 73.* The Debtors' insurance policies apply to each Debtor entity, but in an effort to reduce the volume of the disclosures that would be otherwise applicable, the Debtors are only disclosing their insurance policies on Bed Bath & Beyond Inc.'s Schedule A/B.

2. Schedule D – Creditors Who Have Claims Secured by Property.

(a) *Part 1 – List Creditors Who Have Secured Claims.*

- (i) The Debtors' creditors holding secured funded debt Claims are listed only on Debtor Bed Bath & Beyond, Inc.'s Schedule D, and not on the Schedule D of each of the subsidiary Debtors.

3. Schedule E/F – Creditors Who Have Unsecured Claims.

(a) *Part 1 – Creditors with Priority Unsecured Claims.*

- (i) **Priority Tax Claims:** Pursuant to the *Interim Order (I) Authorizing the Payment of Certain Taxes and Fees and (II) Granting Related Relief* [Docket No. 94] (the "Interim Taxes Order"), the Debtors have been granted the authority to pay, in their discretion, certain tax liabilities that accrued prepetition. Accordingly, any unsecured priority Claims based upon prepetition tax accruals may have been paid or may be paid pursuant to the Interim Taxes Order or pursuant to further Court order. Therefore, the Debtors have listed the taxing authorities with a contingent, undetermined, or \$0 amount.

The Debtors have made a reasonable effort to list all known taxing authorities. However, the Debtors acknowledge the possibility that information related to material tax accruals may be discovered subsequent to the filing of the Schedules and Statements. The Debtors reserve the right to supplement or amend this response in the future if additional information becomes available, should the Debtors deem it appropriate.

- (ii) **Employee Claims:** Furthermore, pursuant to the *Final Order (I) Authorizing the Debtors to (A) Pay Prepetition Wages, Salaries, Other Compensation, and Reimbursable Expenses and (B) Continue Employee Benefits Programs, and (II) Granting Related Relief* [Docket No. 388] (the “Wages Order”) the Debtors received final authority to pay certain prepetition obligations, including to pay employee wages and other employee benefits, in the ordinary course of business. The Debtors believe that any non-insider employee Claims for prepetition amounts related to ongoing payroll and benefits, whether allowable as a priority or nonpriority Claim, have been or will be satisfied, and such satisfied amounts are not listed.

The listing of a Claim on Schedule E/F, Part 1, does not constitute an admission by the Debtors that such Claim or any portion thereof is entitled to priority status.

Except as otherwise agreed pursuant to a stipulation or order entered by the Court, the Debtors reserve their rights to dispute or challenge the validity or immunity from avoidance of any Claim purported to be granted to a creditor listed on Schedule E/F. Moreover, although the Debtors have scheduled Claims of various creditors, the Debtors reserve all rights to dispute or challenge any such creditor’s Claim or the characterization of the structure of any such transaction or any document or instrument related to such creditor’s Claim.

- (b) *Part 2 – Creditors with Nonpriority Unsecured Claims.* The liabilities identified on Schedule E/F, Part 2, are derived from the Debtors’ books and records. The Debtors have made a reasonable attempt to verify their unsecured obligations, although the actual amount of Claims against the Debtors may vary from those liabilities represented on Schedule E/F, Part 2. The listed liabilities may not reflect the correct amount of any unsecured creditor’s allowed Claims or the correct amount of all unsecured Claims.

As noted in paragraph 3(b) above, the Debtors generally allocate individual liabilities to particular banners. In most cases, it would be a time consuming and inefficient use of estate resources, or impracticable, to assign a given liability to a particular Debtor based on a contractual obligation. Instead, Schedule E/F, Part 2, reflects the liability as recorded in the Debtors’ books and records.

Schedule E/F, Part 2, contains information regarding certain compensation related Claims of current and former employees of the Debtors, with such Claims being listed as both “contingent” and “unliquidated.” In scheduling such Claims, the Debtors make no representation or assertion as to the validity of such Claims, and the Debtors reserve all rights, Claims, and defenses in connection therewith.

Schedule E/F, Part 2, contains information regarding material pending litigation involving the Debtors. The amounts for these potential Claims are listed as “undetermined” and are marked as contingent, unliquidated, and disputed in the Schedules.

Schedule E/F, Part 2, reflects certain prepetition amounts owing to counterparties to executory contracts and unexpired leases. Such prepetition amounts, however, may be paid in connection with the assumption or assumption and assignment of an executory contract or unexpired lease. In addition, Schedule E/F, Part 2, does not include Claims that may arise in connection with the rejection of any executory contract or unexpired lease, if any, that may be or have been rejected.

In many cases, the Claims listed on Schedule E/F, Part 2, arose, accrued, or were incurred on various dates or on a date or dates that are unknown to the Debtors or are subject to dispute. Where the determination of the date on which a Claim arose, accrued, or was incurred would be unduly burdensome and costly to the Debtors’ estates, the Debtors have not listed a specific date or dates for such Claim.

The Debtors have included payables liabilities in Schedule E/F reflecting amounts recorded in their books and records as of approximately May 25, 2023. As of the date hereof, the Debtors may not have received all invoices for payables, expenses, and other liabilities that accrued prior to the Petition Date, and continue to reconcile their books and records for the determination of prepetition liabilities. Accordingly, the information contained in Schedules D and E/F may be incomplete. The Debtors reserve their rights, but undertake no obligation, to amend Schedules D and E/F if and as they receive additional prepetition invoices.

Customer Gift Cards. With respect to gift cards, the Debtors cannot ascertain the identity of the vast majority of the holders of such gift cards or whether such cards are still in existence. Therefore, the Debtors have not included any holders of gift cards on the Schedules. The Debtors estimate that as of the Petition Date, approximately \$350 million of gift cards were outstanding, and this amount is not specifically identified on the Schedules.

4. Schedule H – Codebtors.

- (a) *Item 2.* Similar to the treatment of Schedule D, Guarantees with respect to the Debtors’ secured funded debt obligations are listed on Debtor Bed Bath & Beyond Inc.’s Schedule H, and not on the Schedule H of each of the subsidiary Debtors.

Specific Statement Disclosures

1. **Statement, Part 10, Question 19.** As part of their historical practice, the Debtors maintain safes at all of their stores. Generally, however, the Debtors do not maintain safety deposit boxes otherwise. Given the volume of the Debtors' stores, and thereby the volume of the Debtors' safes, in an effort to reduce the volume of disclosures that would be otherwise applicable, the Debtors have not included this information on the Statements.
2. **Statement, Part 13, Question 26.** The Debtors provide certain parties, such as banks, factors, auditors, potential investors, vendors, and financial advisors, with financial statements. The Debtors do not maintain complete lists or other records tracking such disclosures. Therefore, the Debtors have not provided full lists of these parties in Part 13, Question 26 of the Statements.
3. **Statement, Part 13, Question 27.** The Debtors inventory product at their various store locations and distribution centers on a rolling basis. In an effort to reduce the volume of disclosures that would be otherwise applicable, the Debtors have omitted such frequent cycle counts conducted by the stores and distribution centers.
4. **Statement, Part 13, Question 29.** The Debtors' records are incomplete as to dates of appointment or resignation for former directors and officers. The Debtors cannot ascertain the identity of all former directors and officers, but the Debtors have made reasonable efforts to list all known former directors and officers.
